🧠 SKILLS

- Programming Language : Python
- web development : HTML,CSS,
Java Script, Bootstrap
- Database management system :
MYSQL
- FrameWork: Django
- Effective communication
- Problem-Solving
- Punctuality

🌐 LANGUAGES

- Telugu (native proficiency)
- English (Working proficiency)
- Hindi (Elementary proficiency)

🏆 ACHIEVEMENTS

- Secured 5 star in python under HackerRank profile
- Secured 3 star in MYSQL under HackerRank profile

📄 PROFILE

Dedicated and highly motivated recent graduate with Bachelor's degree in Computer science and engineering seeking an entry-level position. Eager to apply my strong academic foundation, teamwork skills, and passion to contribute to the success of a dynamic organization. A quick learner with excellent communication abilities, I am excited to embark on a career where i can learn, grow, and make a meaningful impact.

🔧 PROFESSIONAL COURSE

Full Stack Development Course
- ITVEDANT, Hyderabad, Telangana.

Key Technologies and Skills:
- Proficient in HTML, CSS, JavaScript
- Experience with Django Framework
- Knowledge on Python, MYSQL

🎓 EDUCATION

B.tech - Computer science and Engineering
Dadi institute of engineering and technology
2019 – 2023

📁 PROJECTS

Smart Wearable Device for Women Safety using IOT
Led the creation and execution of a revolutionary smart device that utilizes advanced sensors to detect potential dangers and automatically triggers emergency alerts; enhanced safety for women globally and garnered extensive media coverage.

Technologies:

- Embedded C, Arduino Nano, Arduino IDE

Guess the Word Game

- "Guess the Word Game" where the computer selects a random letters, and the player has to guess the meaningful word from those letters.
- If the player guesses all the words before running out of attempts, they win. Otherwise, they lose the game.
- Using Technologies python programming.

📄 CERTIFICATES

- Attended one week Workshop on Python Programming and received certificate from APSSDC
- Python IBM Certification.
- Received certificate for completing Programming Foundations & SQL from Itvedant.
